

All Saints' Church Hall

Our hall is available to hire for a variety of events including community groups, interest groups and children's parties.

The hall is 17m long and 7 m wide so has plenty of space. There are also lightweight folding table and stacking chairs for the use of hirers. All we ask is that you leave the hall and any of our equipment clean and tidy after use.

The hall costs £16 per hour for regular bookings or £50 for children's parties (including setting up and cleaning time). At the moment the price is under review due to the increasing costs of electricity and gas.

We also have a well equipped kitchen with two ovens, a hob, kettles, hot water boiler and fridge. There is also plenty of crockery and cutlery. Again we ask that everything you use is left clean and tidy when you leave.

At the moment the use of the kitchen is included in the hall hire charges.

To hire the hall, or make enquiries, please contact Jim and Jacqui Donaldson on 01625 619050 or email through the church website contact page.
